

What I Must do to Keep Safe Online and With Devices

Online means anything connected to the internet. Most devices and apps are

connected to the internet.

Devices are technology like: computers, laptops, games consoles,

tablets and smart phones.

I will only use the devices I am allowed to use.

I will ask a trusted adult before I use new websites, games or apps.

I will ask for help if I'm stuck or not sure.

I will be kind and polite to everyone online.

I will tell a trusted adult if I feel worried, scared or nervous when I am using a device.

I will tell a trusted adult if I feel sad, angry or embarrassed when I am using a device.

I will tell a trusted adult if I feel bad or unsafe when I am using a device.

I know people online sometimes tell lies.

They might lie about who they are or where they live.

I never have to keep secrets from my trusted adults.

I will not change clothes or undress in front of any camera.

I will always ask a trusted adult before telling anyone my private

information or location.

I know that anything I do or say online might stay there forever.

It can be given to my family, my friends or strangers.

This could make me feel sad or embarrassed.

My trusted adults are hannah,sabina and lisa school

My trusted adults are dad and mum at home
